The floor plan shows a multi-story building with a complex layout of rooms and corridors. A specific unit is highlighted in red, located in the lower-left portion of the building. The red unit is situated near a large staircase and a central corridor. The building's footprint is irregular, with several protrusions and recessions. The red unit is one of the smaller units within the building's footprint.

1. Powierzchnie pomieszczeń policzone w osiach ścian możliwych do wyburzenia zgodnie z normą PN-ISO 9836:1997 - właściwości użytkowe w budownictwie, określanie i obliczanie wskaźników powierzchniowych i kubaturowych.
